

TECHNICAL BULLETIN BUILDING INSPECTION DEPARTMENT

Re: Adoption of the 2010 National Building Code of Canada (NBCC) and the new requirements under section 9.36 (Energy Efficiency)	No. 2015-01 Date : 2014-12-18 Revision: 00
---	--

Please be advised that, in accordance with the recent amendments to provincial legislation, the 2010 NBCC, including the new Section 9.36, will be enforced as of January 1, 2015.

Revisions to the 2010 NBCC as well as new energy efficiency requirements under Section 9.36 will bring significant changes. It is recommended that all building and construction professionals review the 2010 NBCC and familiarize themselves with these changes.

Additional bulletins will be available in 2015 to inform of new requirements, policies, and procedures to be implemented by the Building Inspection Department. Please check the Village of New Maryland website www.vonm.ca regularly for updates.

If you have any questions regarding the information referenced above, please call (506)451-8508.
